

COOKIE POLICY

AutomataPi Solutions Pvt. Ltd. (the “Company”) respects the privacy of visitors to its Website (as defined in our Privacy Policy). The Company’s Cookies Policy (the “Policy”) applies to the Company’s Website and describes the information we collect by automated means through the use of registered contact information of the subscribers.

Cookies

Cookies are small pieces of information or text that are issued to your computer when you visit a website and are used to store or track information about your use of the site.

The Company does not use or track cookies on its website. The Company identifies its clients, its data / queries that it collects / tracks only through the following:

Registered E-mail IDs, registered contact number and any other uniquely identifiable number known only to the person;

Do Not Track

While the Company attempts to honour do not track (“DNT”) instructions we receive from your browser, we cannot guarantee that we will always respond to such signals, in part because of the lack of common industry standard for DNT technology. We continue to monitor developments in DNT technology and stay apprised of DNT industry standards as they evolve.

IP Addresses

An IP address is a unique identifier that certain electronic devices use to identify and communicate with each other on the Internet. When you visit our Website, we may view the IP address of the device you use to connect to the Internet. We use this information to determine the general physical location of the device and the geographic regions of our visitors.

Contact Information
